Service & Support

Your machine is covered by Canon's standard on site hardware warranty for 1 year from purchase.

If you have chosen to purchase an extended warranty this will be shown on your VAT invoice. Your extended term after the first year may be with Canon in the form of an Easy Service Plan, or with a MyLFP plan.

Should you experience an issue with your machine and you wish to seek technical help please call us on the number below initially and we will be able to help you resolve the problem swiftly. You can also register your machine details at www.mylfp.com to take advantage of their useful forums.
