# HP DesignJet T830 **Multifunction Printer**

# Multifunction reinvented—built-in scanner at an unbeatable price<sup>1</sup>

Print, scan, copy, and share—robust, compact 36-inch Wi-Fi MFP for office and construction

#### **ROBUST—Damage-resistant for offices** and job sites

- Half the size,<sup>2</sup> built to last—this robust MFP handles activity at challenging sites, even construction
- Produces prints 3 times faster than previous HP models—see A1/D-size prints delivered in 28 seconds
- Choose from 40- to 300-ml HP ink cartridges to fit your print volume, large supplies can reduce interventions
- Transport and onsite dust, damage protection with optional HP DesignJet Rugged Case

## **CONVENIENT**—Easy operation helps users save time

- Complete tasks intuitively—almost 3 times faster vs other devices<sup>3</sup>—one touchscreen works like a smartphone
- Cut waste by 50%—print at half scale with automatic sheet feeder/tray; cut extra work, waste of wide rolls
- No LAN needed—move this MFP any time, any place your Wi-Fi signal can reach with wireless connectivity<sup>5</sup>

#### COLLABORATION—Mobile print/scan for team sharing

- Use integrated scanning to capture and share feedback, enable archiving, and more
- The printer creates its own Wi-Fi network for easy connectivity with Wi-Fi Direct
- · Conveniently scan, share, print right from your smartphone or tablet;<sup>5</sup> enjoy a smartphone-like experience
- Manage scans from your mobile device with the HP AiO Printer Remote app,<sup>6</sup> enabled by HP Mobile Printing

## For more information, please visit hp.com/go/designjetT830

- Based on 36-inch Wi-Ei integrated MEPs available in the market as of September 2015
- <sup>3</sup> The HP Design Jet TB30 Multifunction Printer is the most compact 36-inch device performing large-format print/scan/copy functions and is at least half the size (without the legs) based on H x W x L specifications published as of September, 2015. <sup>3</sup> Usability compared to competitive alternatives and based on internal HP testing and methodology in September, 2015 evaluating ease-of-use for first-time users comparing the time and additional assistance required to complete the task of copying a color AO-size document and scaling it down to A3 size on the HP DesignJet T830 Multifunction Printer with a single touchscreen compared to using a separate printer and standalone scanner.
- copying a color AD-size document and scaling it down to A3 size on the HP Design. It 1830 Multifunction Printer with a single touchscreen compared to using a separate printer and standalone scanner. Printing on sheets eliminates the extra work and cutting waste of printing on performance equivalent roll-based printers in the market as of September, 2015. For example, printing at half scale (13.5 inches) on a typical (36-inch) roll results in over 50% paper waste and additional labor to cut. S Local printing requires mobile device and printer to be on the same network (usually Wi-Fi access points bridge wireless to wired connections) or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. Wireless performance is dependent on physical service contract for mobile devices. Check with service provider for coverage and availability in your area. See <u>hp.com/go/deesign/etmobility</u> for more details. T het PA lini-One Printer Remote mobile pap is available for Apple<sup>®</sup> Pad. (Hohoe, and IPod Touch running IOS v.0.0 r later and for Android<sup>™</sup> mobile devices running Android<sup>™</sup> v4.4 or later. The HP All-in-One Printer Remote mobile app is available for free from the Apple<sup>®</sup> App Store for Apple<sup>®</sup> mobile devices and from the Google Play Store for Android<sup>™</sup> mobile devices.

# **Technical specifications**

	Line drawings <sup>7</sup>	28 sec/page on A1/D, 82 A1/D prints per hour
	Print resolution	Up to 2400 x 1200 optimized dpi
	Margins (top x bottom x left x right)	Roll: 5 x 5 x 5 x 5 mm (0.2 x 0.2 x 0.2 x 0.2 in) Sheet: 5 x 5 x 5 x 5 mm (0.2 x 0.2 x 0.2 x 0.2 in)
	Ink types	Dye-based (C, M, Y); pigment-based (mK)
	Printheads	1 (C, M, Y, mK)
	Line accuracy	+/- 0.1% <sup>8</sup>
	Minimum line width	0.02 mm (0.0008 in) (HP-GL/2 addressable)
	Guaranteed minimum line width	0.07 mm (0.0028 in) (ISO/IEC 13660:2001(E)) <sup>9</sup>
Media	Handling	Sheet feed, roll feed, input tray, media bin, automatic cutter
	Size	Rolls: 279 to 914 mm (11 to 36 in)
		Sheets: 210 x 279 to 914 x 1897 mm (8.3 x 11 to 36 x 74.7 in) Standard sheets: A4, A3, A2, A1, A0 (A, B, C, D, E)
	Thickness	Up to 11.8 mil
Scan	Scan speed	Color: up to 3.81 cm/sec (1.5 in/sec)
	Scan/copy resolution	Grayscale: up to 11.43 cm/sec (4.5 in/sec) 600 dpi
	Maximum scan	Size: 914mm x 2.77m (36x109in)
		Thickness: 0.8 mm (0.03 in)
Applications	Line drawings, Re	enderings, Presentations
Aemory	1 GB	-
Connectivity	Interfaces (standard)	Gigabit Ethernet (1000Base-T), Wi-Fi
	Print languages (standard)	HP-GL/2, HP-RTL, TIFF, JPEG, CALS G4, HP PCL 3 GUI, URF
	Printing paths	Windows and Mac printer drivers, Apple AirPrint driver, print from USB pen drive
	Mobile printing capability features	Wi-Fi Direct and local Wi-Fi connectivity to enable mobile printing and scaning via HP ePrint, Apple AirPrint <sup>™</sup> and HP All-in-One printer remote App. Supports printing from most smartphones and tablets using these operating systems: Android, IOS
	Drivers (included)	HP-GL/2, HP-RTL drivers for Windows; HP PCL 3 GUI driver for Mac OS X and Windows
Dimensions	Printer	1403 x 629 x 1155 mm (55.2 x 24.8 x 45.5 in)
(w x d x h)	Shipping	1578 x 575 x 646 mm (62.5 x 22.6 x 25.4 in)
Weight	Printer	62.5 kg (137.8 lb)
	Shipping	85 kg (187.4 lb)

HP DesignJet Support Services offer solutions for business critical environments – installation, extended support and maintenance, as well as a variety of value-added services. For more information, please visit hp.com/go/designjetsupport.

Use **Original HP inks** and printheads to experience consistent high quality and reliable performance that enable less downtime. These critical components are designed and engineered together as an optimized printing system to provide precise line accuracy as well as dark blacks. For more information, visit hp.com/go/OriginalHPinks.

For the entire **HP Large Format Printing Materials** portfolio, please see HPLFMedia.com.

#### Eco Highlights

- ENERGY STAR<sup>®</sup> certified and EPEAT Silver registered<sup>15</sup>
- Free, convenient HP ink cartridge recycling<sup>16</sup>
- $\mathsf{FSC}^{\textcircled{o}}\text{-certified papers}^{12}$  and a range of recyclable HP media with a take back program<sup>16</sup>

#### Please recycle large-format printing hardware and printing supplies.

#### Find out how at our website hp.com/ecosolutions

FSC®-certified products are available in all regions. For information about HP large format printing materials, please visit HPLFMedia.com.

- <sup>13</sup> Can be recycled through commonly available recycling programs.
  <sup>14</sup> In North America and Asia (including Japan), recyclable in consumer collection systems that can accept mixed paper (may not be recyclable in your area); in Europe recyclable in consumer collection systems that accept liquid packaging. <sup>15</sup> EPEAT registered where applicable and/or supported. See <u>epeat.net</u> for registration status by country.
- <sup>16</sup> Program availability varies. Please check <u>hp.com/recycle</u> for details. Many HP printing materials are recyclable through commonly available recycling programs. For information about HP large format printing materials, please visit HPLFMedia.com.
